### **What we do- How we work for the community**

Since 1983 the Sarnia Community Foundation has been

- working with donors to build
  - a capital base that will support multiple projects and programmes over many years
  - a short term pool of funds that will support a community based project or initiative immediately or within a five-year period. Longer terms can be accommodated.
- making gifts to community agencies and providing scholarships. We provide support to agencies working in 6 broad categories: Arts, Culture & Heritage, Community Wellbeing, Children, Youth & Families, Environment & Animal Welfare, Health, Wellness & Recreation and Literacy, Education & Employment. We are able to make gifts to organizations throughout Canada.
- supporting leadership initiatives in the community through actively researching emerging trends, facilitating partnerships and understanding community needs.

Donations made to SCF are directed to the fund or project identified by the donor. Receipts for tax purposes are issued according to the regulations established by the Canada Revenue Agency.

We're here to help you help your clients. We specialize in long term giving and legacy building .
